

The heat is on ... cover up and keep protected with these summer savers when dashing from the car to the cool indoors

#### Sun safety

It's no joke that harmful rays cause all sorts of problem for skin. Cover up – even when you're venturing outdoors for just a few minutes. Elizabeth Arden's new Eight Hour facial sun defence SPF 50 offers the perfect solution to keep those rays at bay – and skin looking young and healthy. Available in beauty stores across the UAE

#### All right in white

This comfortable cover up will keep you perfectly cool while looking effortlessly stylish. Team with jeans for mall trawling and keep it light with leggings when braving the outdoors. Stradivarius, Marina Mall: 02-681-8020
