

For an all-day protection of your lips, try the new Missha Style Sweet Lip balm. Like any lip balm, it has a moisturiser that prevents your lips from getting chapped and hopefully leaves them looking soft, smooth and supple. This also has some sun protection, though SPF 13 doesn't sound too potent. But there are three fresh-sounding flavours to choose from (mint, peach and strawberry); and better still, it's from Missha, which means it's distinctly affordable at AED 35. Missha is in Marina Mall and Al Wahda Mall in the capital and at Al Jimi Mall in Al Ain.
