

15th July

Once again the Abu Dhabi Eco-Chicks will be holding their increasingly popular Green Drinks event at One to One Hotel, a meet and greet with like-minded eco warriors in the city. Been thinking about going green but find it hard to get started in Abu Dhabi? Then you should definitely attend; it's a great way to learn more about how other people are addressing issues such as recycling, buying healthier food, reducing energy and water use in a casual, supportive network of Abu Dhabi friends. It will take place from 6.30-10pm, this time indoors due to the heat so look out for the signs within the hotel.

Green Drinks Abu Dhabi will continue to meet every third Thursday of the month, except during Ramadan. For those who would prefer a non-alcoholic event, look out for an Abu- Dhabi Eco-Chicks Green Gathering event later this year! Information: 050 439 1311
