

17th July:

The Abu Dhabi Summer Choir held a successful first rehearsal but is still on the lookout for more talented vocalists in town during the summer - female altos, in particular – to join in the song at its second rehearsal. It will take place this Saturday at 10.30am until 12 noon at St. Andrew's Church. Repertoire is mostly Classical (sacred) music, as well as songs from different historical periods such as Baroque, Romantic etc.
