

Largo Winch 2

Sunday, 20 March 2011 12:07

Largo Winch, the newly appointed CEO of the W Group, is accused of crimes against humanity on the very day he announces his intention to sell his corporation and use the proceeds to create a humanitarian foundation. Following on from the rather damp success of the 2008 original, this sequel, loosely based on the Belgian comic book series of the same name, desperately tries to sell itself as a bona fide crime thriller – obviously hoping the presence of Sharon Stone would help. Sadly, it fails.
