

If the 2006 monster hit *The Da Vinci Code* left you panting for more supernatural thriller action, your wait is over.

The team behind the global blockbuster that was the *Code* returns for a much anticipated second go, again based on a bestselling novel by Dan Brown and with Tom Hanks reprising his role as a Harvard religious expert, once more pitting himself against the forces of evil.

Although the book was written before *The Da Vinci Code*, the movie's action takes place after the events of the earlier movie. The murder of a physicist finds Robert Langdon (Hanks) and the victim's daughter (Zurer) on the trail of a secret brotherhood, in an action-packed trek that takes them all around the Vatican— searching for a weapon that could kill millions.

Ron Howard again directs. There's more action than in the comparatively thoughtful *Da Vinci Code*. But it is doubtful whether the wait for the sequel was worthwhile ...
