

Following on from the success of his 2007 hit Hallo, writer/director Rafi Mecartin is back with a bang as he tells the story of a family-run casino in 80's Goa. Mohanlal, Jayaram and Dileep lead a star-studded cast as three sons of a Mafia Don in this upbeat tale of murder, mystery and mayhem – best described as Goodfellas crossed with a musical comedy. Great action scenes, fantastic musical score and laughs galore make this one not to miss.
