

365 Youm Sa'ada (365 Happy Days) tells the story of millionaire playboy Hady, who after years of playing the field finally falls in love only to discover that the object of his desire has been diagnosed with terminal cancer and has just 365 days to live. Egyptian superstar Ahmed Ezz and Donia Samir Ghanem star in this touching romantic comedy that delivers plenty of 'rom' and just enough 'com' to make it worth a watch.
