From the producers of Shaun of the Dead and Hot Fuzz, British comedian Joe Cornish makes his directorial debut with Attack the Block – a sci-fi comedy horror that follows a gang of tough inner-city kids who try to defend their turf against an invasion of savage alien creatures.

Quirky, exciting, funny and frightening – this film is surely set to be one of the surprise hits of the summer and a film that will engage even those who think they're beyond this sort of thing.
