In this sequel to the surprise 2005 hit *Hoodwinked*, Hayden Panettierre takes over as the voice of Red, our karate-kicking wise-cracking heroine. Like the original, *Hoodwinked Too* delights in taking a slew of traditional fairy tales – Little Red Riding Hood, Hansel and Gretel, The Three Little Pigs – and mixing them up with a number of modern influences such as *Stars Wars*, *Die Hard* and *Starsky And Hutch*. While not as polished or picturesque as some of Pixar's masterpieces, the results are nonetheless irreverent, fast-paced and very funny. Well worth checking out.
