

When Henry fails to hand in his homework, again, a chain of events is set in place that means Henry is doing things he never dreamed he would!

With an amazing cast of grand masters including Anjelica Huston, Richard E. Grant and Prunella Scales, this film really should be a lot better than it is. Younger kids might enjoy Henry's horrid anti-hero, but sadly their grown-ups will suffer. Let's not get started on the 3D.
