

Journey 2: The Mysterious Island

Friday, 27 January 2012 23:57

Wrestling is in the air, the perfect timing for Dwayne Johnston aka The Rock to appear in yet another movie! Sean Anderson (Josh Hutcherson) takes his mother's boyfriend to a Mysterious Island in hunt for his grandfather who is none other than Sir Michael Caine. It's exciting and fun from start to finish. Don't be expecting an Oscar winning film, think more Indiana Jones. It's just pure fun.
