The cash awards are structured to allow all those who score a goal to win an equal portion of the AED 25,000 for that game. Should no goal be scored, the AED 25,000 prize money will be carried over to the next Kick for Cash game, doubling the prize award for that game.

'Barclays Kick for Cash' is open to fans attending Al Jazira home games.

Steve Hall, Commercial & Marketing Director at Al Jazira Club commented: "This is a fantastic opportunity for Al Jazira fans and another example of our commitment to reward supporters following the Club. We are very grateful to our Club Partners for their continued support and contributions in making the matchday experience at the Mohammed Bin Zayed stadium the best in the UAE."
