

Name: Tinker

Age: 5 months old

Gender: Male

Breed: Cross breed

History: Tinker was found wandering along Airport Road and was handed over to SAD after the initial 48 hour holding period at the American Veterinary Clinic.

Personality: Tinker is an energetic, interactive and very social young puppy. He is very good with other dogs and friendly and patient with children, making him an ideal family pet. Tinker needs a family with the time to dedicate to training and give him a good daily walk.

All SAD animals are fully vet checked and vaccinated. For information please call 050 130 7392 or email info@straysfabudhabi.com. All animals for adoption can be viewed on the SAD website www.straysfabudhabi.com
