

Name: Ally

Age: 1-2 years (will make 17kg when fully grown)

Gender: Female

Breed: Collie mix

History: Ally wandered into the garden of a couple in Al Ain who have two dogs themselves. They kept her for two weeks in the hope that someone would claim her. Unfortunately no-one came forward, and so they gave her to SAD.

Personality: Ally is a gentle, loving soul who adores attention. She is even-tempered and affectionate and would make a wonderful family pet. Ally is house-trained. As a medium-large dog, Ally will need a good daily walk. All animals are fully vet checked and vaccinated.
