

**Name:** Paris (left in photo)

**Gender:** Female (entire)

**Age:** 14 weeks

**Breed:** Crossbreed

**History:** Paris and friends were trapped by SAD after someone spotted them running loose in Mussaffah, posing a danger to themselves and to motorists. Paris is currently in a SAD foster home where she is getting to grips with house-training and socialisation. Paris has been fully vet-checked and vaccinated.

**Character:** Sweet, submissive and calm – a real little lady! Paris will need a family who have the time to dedicate to training and socialisation.

All SAD dogs are fully vet-checked and vaccinated. To adopt Paris or for more information, visit their website [www.straysofabudhabi.com](http://www.straysofabudhabi.com), or contact them on 050 130 7392 or [info@straysofabudhabi.com](mailto:info@straysofabudhabi.com)
