

Name: Oscar

Age: almost 5 months old

Gender: Male

Breed: Domestic short hair

History: Oscar was rescued from a builder's yard in Mussafah from a caring couple when he was just eight weeks old. Oscar had unfortunately been rejected by his mother and looked deathly frail with several cuts and sores all over his body when found. The family took him in to their home and nursed him back to health.

Personality: Oscar used to be very shy and scared but he is now a very confident, outgoing and happy kitten who loves to play and to receive lots of cuddles. All he needs now is a loving home where he can become part of a family. He is litter trained, neutered and has begun his vaccinations.

All Feline Friends cats are neutered, vaccinated and micro-chipped. If you can offer Oscar a home, contact Feline Friends on 050 823 1569 or email info@felinefriendsuae.com
