

Names: Elsa and Tiger

Gender: Male

Age: both 15 weeks old Breed: Arabian Mau

History: Elsa and Tiger were born in a moving box along with their brother. Thankfully the kittens were found by Feline Friends just in time to be bottle fed back to health. Their brother sadly didn't make it.

Personality: Having both been hand raised, Elsa and Tiger are very cuddly and affectionate and love to play. They are happy being either indoor or outdoor cats and are great with children. They're better off sticking together, though.
