

Name: Hamish

Gender: Male

Age: 10 weeks

Breed: Crossbreed

History: Found abandoned in Khalifa City B, Hamish was handed over to the American Veterinary Clinic. SAD was called in to help after the 48 hour holding period. Hamish is currently in the arms of a SAD foster family who are helping with his house training and socialisation.

Personality: Hamish is an adorable, friendly and inquisitive puppy; he will need a family who have the time and patience to dedicate to his training and upbringing. Hamish is a medium sized young dog who should make 15-20kg when fully grown.

Like all SAD dogs, Hamish has been fully vet checked and vaccinated. To adopt him or for more information, visit their website www.straysofabudhabi.com, or contact them on 050 130 7392 or info@straysofabudhabi.com
