

Name: Ellie

Age: 1-2 years

Gender: female

Breed: Saluki

History: Found wandering the Mushrif area with no collar or ID tag, Ellie was then checked in at the American Veterinary Clinic. They found a microchip but with no register of the owner, so after the 48 hour holding period was up, she was handed over to SAD.

Personality: Ellie's a big girl but she's very gentle, calm and ladylike. She loves snoozing and cuddling. Her new owner will need to take her on a good daily walk.

Ellie has been fully vet-checked, vaccinated and spayed by SAD and she is ready to go to a caring permanent home. If you can take her in or if you simply want more information, visit the SAD website www.straysofabudhabi.com, call 050 130 7392 or email info@straysofabudhabi.com
