

Name: Salt

Age: one year old

Sex: female

Breed: domestic short hair cross

History: Salt was found under a car along with a new kitten. A week later her three other kittens were located, having been looked after by a generous lady who was hand feeding them. Salt immediately accepted the three other kittens and became a very caring mother-cat. She is now on to a new phase in her life and ready to move in with a permanent family.

Personality: Salt is a beautiful pure white with incredibly soft fur. She is sweet, calm and quiet and she doesn't startle or get upset. She is very tolerant of children and noise and would make a wonderful addition to a loving family.

Salt is spayed, micro-chipped and has had her rabies jab; she is ready to go! If you would like to adopt Salt or for more information contact Feline Friends on 050 823 1569 or email info@felinefriendsuae.com.
