

Name: Maisie

Age: Nine weeks

Sex: Female

Breed: Crossbreed

History: Maisie was found abandoned in Mohammed Bin Zayed City and handed in to the American Veterinary Clinic; thankfully SAD stepped in to prevent her being put to sleep.

Personality: Maisie is affectionate and adorable. Because she's only a baby she will need a family with the time and patience to puppy-train her, but will make a wonderful addition to that family as a forever friend.
