

Name: Pepper

Age: One year

Sex: Male

Breed: Crossbreed

History: Pepper was found as a stray, roaming with another dog. He was taken to the AVC where SAD stepped in to prevent him being put down after 24 hours. He has been neutered.

Personality: Pepper is a lovely and loving dog. He has an easy temperament and is affectionate and willing to please, however he is nervous around men and would need the man in his new family to simply ignore him until he adjusts. He would love a villa with a garden and needs a good daily walk.
