

Name: Fiona

Age: Six months

Sex: Female

Breed: Arabian Mau

History: Fiona was picked up from the street at only five weeks old, malnourished and underweight. She was very timid and shy, and easily scared. It took weeks of gentle TLC and hand-feeding for Fiona to gain confidence and trust.

Personality: Fiona is now a loving purr-machine and cannot get enough of snuggling and cuddling. She likes to watch the world go by sitting at a window where she can sit for hours until it's time for more cuddles.
