

Name: Galaxy

Age: Nine months

Sex: Female

Breed: Domestic shorthair

History: Galaxy used to live in an apartment with an owner who worked long hours and went away on many trips. She sometimes wouldn't see anyone for days on end. She has now moved to a foster home with a large family and five cats, so is getting used to company again.

Personality: Though she has been starved of company, Galaxy is a lovely cat who plays with toys and bats balls around. She also loves playing under the shower! She needs an owner with patience to gain her trust – then she's more than happy to be cuddled and petted.
