

Name: Balfazar

Age: Five months

Sex: Male

Breed: Maine Coon

History: Balfazar was born at the home of his owners and lived there with his mother for 14 months until the family moved overseas. He was supposed to be adopted by another family, but it fell through.

Personality: Balfazar was heartbroken at being left behind, became introverted and didn't eat for days. Three weeks on and he is now gaining confidence but still needs a family to give him lots of patient love and attention. He is at ease with other cats.
