

Name: Pheipher

Age: Four years

Sex: Male

Breed: Domestic Short Hair

History: Pheipher is Feline Friends' longest resident. He has been looking for a permanent home for two years after he was handed over when one of his owners developed a cat hair allergy.

Personality: Pheipher is a little bit shy at first, but once he gets comfortable he is very loving and enjoys being around people. He will come for affection and attention and loves to sit on the sofa being petted. He loves playing outside so would be most suited to a home with a garden
