

**Name:** Oscar

**Age:** Four years old

**Sex:** Male

**Breed:** Domestic Shorthair

**History:** Oscar went through a number of hands before being given to Feline Friends. He has gone through a lot, including some bullying from a fellow tomcat.

**Personality:** The classic gentle giant, Oscar is very affectionate once he trusts you. He needs stability and tenderness, therefore would be best suited as the sole pet of a loving couple or a single person home.
